

## 2010 AGE GROUP CHAMPIONSHIPS HOSTED BY SCST FREQUENTLY ASKED QUESTIONS

- Do I have to work if my child is not swimming?
  - ❖ Yes, we need each and every family to work this meet. We are asking that if you do not have a swimmer participating, that you only work 2 sessions.
- Can I work 2 sessions in a row?
  - ❖ Yes, a family can work 2 sessions at a time to fulfill the obligation. You can work the AM and then mid-day session. A family can also work in the same session in 2 different jobs.
- Can a high school student work a session?
  - ❖ Yes, if they are 9th grade or older and have transportation to and from the meet.
- Will my high school student get service hours for this event?
  - ❖ Yes, a service letter will be given to the student after the event.
- I have younger children, my child is not swimming, why should I work at this meet?
  - ❖ We are asking every family to participate in this event. We understand how difficult it can be to find child care for younger children, and that it is hard to give up a day during the weekend. This is why we are limiting the required sessions. We ask that everyone try to find the time to help out.
- Why are jobs not listed on supermeets?
  - ❖ The Age Group Champs Committee will look at each session, each person signed up, and jobs that people have worked before. The list of jobs will then be posted in February.
- Where can I find information regarding this meet?
  - ❖ All Age Group Champs information is located on the Age Group Page. The link can be found on the front page of the website, below the Supermeets link. Events and meet information can be found on this page in the meet packet link. A block of hotel rooms is available for St. Charles Parents under the hotel link. E-mails for those of you with questions are also located here.

Hosting a meet like the Illinois Age Group Championships is a big honor for our program. There is no other championship meet like this in the nation. This is the largest and fastest 14 & Under Championship Meet in the Nation. We want all of our families to experience how exciting this meet will be. We need our entire program to be a part of this event to make it one of the best meets we have hosted. Thank you for your time that you will give to this event!
