

### Preliminary Session Timing Request

The St. Charles Swim Team is excited that you are attending the 2008 Illinois Swimming Senior Championship Meet. We will be supplying Timers for Finals all weekend. But we need help in supplying timers for the Preliminary Sessions. We are asking Clubs with larger swimmer attendance to aid in timing Prelims. Any Club that has adults that would like to help we will be in need of relief timers, please have them report to the deck when requested. If you would please inform your families that we will be asking for their help, we would greatly appreciate it.
